2015-2016 Pediatric Newborn Medicine Grand Rounds Schedule

Inspirational Launch

9/22/15 Department of Pediatric Newborn Medicine: Our Present and Future
Speaker: Terrie Inder, MBChB, MD

Block A

Maternal Fetal Medicine

9/29/15 Achieving Optimal Newborn and Child Outcomes Following in Utero Anti-Epilepsy Drug Exposure
Speaker: Page Pennell, MD

10/6/15 The Obstetric Management of Twin Pregnancy
Speaker: Julian Robinson, MD

10/13/15 ‘From Big Baby to Perinatal Demise - Addressing the Range of Fetal and Neonatal Outcomes of Hyperglycemia in Pregnancy’
Speaker: Emma Morton-Eggleston, MD, MPH

10/20/15 Assessing Fetal Well-Being in Complicated Pregnancies
Speaker: Chloe Zera, MD

10/27/15 Have We Done Our Last Amniocentesis? – Updates in Down Syndrome Screening
Speaker: Louise Wilkins-Haug, MD, PhD

Block B

Cardiopulmonary Advances

11/3/15 Vitamin D and Bronchopulmonary Dysplasia
Speaker: Helen Christou, MD

11/10/15 Neonatal Management of Critical Congenital Heart Disease
Speaker: Sarah Teele, MD

11/17/15 Lung Protective Strategies in the Management of the Extremely Preterm Infant
Speaker: Eduardo Bancalari, MD

11/24/15 Holiday Break

12/1/15 Circulatory Disturbances in the Neonate: Diagnosis and Management
Speaker: Patrick McNamara, MB, BCH, BAO, DCH, MSc (Paeds), MRCPCH
Block C

Integrating Families into NICU Care

12/8/15 Parenting a Preterm Infant in the NICU and Beyond
Speaker: Lianne Woodward, PhD

12/15/15 Changing the Paradigm for Neonatal Care
Speaker: Shoo Lee, MBBS, FRCPC, PhD

12/22/15 Holiday Break
12/29/15 Holiday Break

Block D

Surgery

1/5/16 The Science and Management of Hirschsprung’s Disease
Speaker: Allan Goldstein, MD

Block E

The (Mostly) Well Newborn and Near-Term Infants

1/12/16 Overview of Repair of Cleft Lip and Palate
Speaker: John Mulliken, MD

1/19/16 Maternal Depression: What is an Ounce of Depression Worth?
Speaker: Michael Silverstein, MD, MPH

1/26/16 SSRIs and Birth Defects: Emerging Views and Some Lessons Learned
Speaker: Allen Mitchell, MD

2/2/16 The Late Preterm Newborn
Speaker: Lise Johnson, MD

Block F

Endocrine & Nutrition
Block Directors: Mandy & Nneka

2/9/16 Optimizing Infant Growth for Preterm Infants
Speaker: Mandy Brown-Belfort, MD, MPH

2/16/16 ‘School Vacation’ Break

2/23/16 Hypoglycemia
Speaker: Lynn Levitsky, MD

3/1/16 Individualized Fortification of Breast Milk for Preterm Infants
Speaker: Chris Fusch, MD, PhD, FRCPC
Block G
Genetics & Hematology Block

3/8/16  Neonatal Thrombocytopenia  
Speaker:  Martha Sola-Visner, MD

3/15/16  Anemia of Prematurity: When to Transfuse?  
Speaker:  Haresh Kirpilani, BM, BRCP, FRCP, MSc

3/22/16  Newborn Bloodspot Screening (NBS): It’s More than the ‘PKU’  
Speaker:  Richard Parad, MD, MPH

3/29/16  Next Generation Sequencing in Newborns  
Speaker:  Andy Bhatacharjee, PhD, MSc

Block I
Neurology

4/5/16  MRI and Outcome in Preterm Infants  
Speaker:  Jeffrey Neil, MD, PhD

4/12/16  Environmental Influences on Brain Development in the Preterm Infant  
Speaker:  Terrie Inder, MBChB, MD

4/19/16  Post-Hemorrhagic Hydrocephalus of Prematurity  
Speaker:  Dr. David Limbrick, MD, PhD, FAANS, FAAD

4/26/16  Sifting the Evidence: How the Prognosis Varies for Extremely Preterm Infants  
Speaker:  Lex Doyle, MD, BS, MSc, FRACP

5/3/16  PAS Break

5/10/16  Brain-Lung Axis in Premature Infants  
Speaker:  Mohamed El-Dib, MD

Block J

5/17/16  Ten Provocations from Meta-Research in Neonatology  
Speaker:  John Zupancic, MD, ScD

5/24/16  Preterm Feeding Management: Recent Literature and Recommendations  
Speaker:  Pamela Dodrill, PhD, CCC-SLP

5/31/16  Neonatal Sepsis: Could Mesenchymal Stromal Cells be a Potential Therapy?  
Speaker:  Sailaja Ghanta, MD

6/7/16  Flipped and Interactive: Teaching & Assessing Ethics in the NICU  
Speaker:  Christy Cummings, MD
6/14/16  Dietary Supplementation during Pregnancy and Lactation: Does One Size Fit All?  
**Speaker:** Rimi Sen, MD

6/21/16  The Evolutionary Origins of Preeclampsia  
**Speaker:** Thomas McElrath, MD, PhD

6/28/16  Solving the Puzzle of Preterm Birth: Calendar Event or Immunologic Anomaly?  
**Speaker:** David Stevenson, MD
