

Stem Cell Transplantation Physicians

Leadership

Joseph Antin, MD
 Chief, Stem Cell Transplant Program
 Professor of Medicine, Harvard Medical School
 MD Degree: Cornell University
 Lymphoma, Leukemia, Myelodysplasia,
 Aplastic Anemia, Myeloproliferative Disorders

Robert Soiffer, MD
 Chief, Division of Hematologic Malignancies
 Co-Chief Stem Cell Transplant Program
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: New York University
 Lymphoma, Leukemia, Myelodysplasia

Edwin Alyea, MD
 Associate Director of Stem Cell Transplantation
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: Duke University
 Lymphoma, Leukemia, Myelodysplasia,
 Multiple Myeloma

Kenneth Anderson, MD
 Chief, Division of Hematologic Neoplasia
 Kraft Family Professor of Medicine, Harvard Medical School
 MD Degree: Johns Hopkins School of Medicine
 Multiple Myeloma

Philippe Armand, MD, PhD
 Instructor in Medicine, Harvard Medical School
 MD Degree: University of California, San Francisco
 Lymphoma, Allogeneic Stem Cell Transplantation

James Bradner, MD
 Instructor in Medicine, Harvard Medical School
 MD Degree: University of Chicago
 Allogeneic Stem Cell Transplantation,
 Multiple Myeloma

Jennifer R. Brown, MD, PhD
 Assistant Professor of Medicine, Harvard Medical School
 MD Degree: Harvard Medical School
 Chronic Lymphocytic Leukemia, Lymphoma,
 Hodgkin's Disease

Corey Cutler, MD, MPH, FRCPC
 Assistant Professor of Medicine, Harvard Medical School
 MD Degree: McGill University Faculty of Medicine, Canada
 Allogeneic Stem Cell Transplantation, Lymphoma, Leukemia,
 Myelodysplasia, Multiple Myeloma

David C. Fisher, MD
 Assistant Professor of Medicine, Harvard Medical School
 MD Degree: University of Massachusetts Medical School
 Lymphoma, Hodgkin's Disease

Arnold Freedman, MD
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: University of Massachusetts Medical School
 Lymphoma, Hodgkin's Disease

Vincent Ho, MD
 Assistant Professor of Medicine, Harvard Medical School
 MD Degree: Harvard Medical School
 Lymphoma, Leukemia, Myelodysplasia, Germ Cell Tumor

Eric D. Jacobsen, MD
 Instructor in Medicine, Harvard Medical School
 MD Degree: University of Connecticut
 Lymphoma, Hodgkin's Disease

John Koreth, MD, PhD
 Instructor in Medicine, Harvard Medical School
 MD Degree: University of Delhi, India
 Leukemia, Lymphoma, Myelodysplasia,
 Multiple Myeloma

Ann LaCasce, MD
 Instructor in Medicine, Harvard Medical School
 MD Degree: Tufts University School of Medicine
 Lymphoma, Hodgkin's Disease

Nikhil Munshi, MD
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: M.S. University of Baroda, India
 Multiple Myeloma

Paul Richardson, MD
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: Medical College of St. Bartholomew's Hospital,
 University of London
 Multiple Myeloma

Jerome Ritz, MD
 Director, Connell O'Reilly Cell Manipulation Core Facility
 Professor of Medicine, Harvard Medical School
 MD Degree: Chicago Medical School
 Allogeneic Stem Cell Transplantation

Robert Sackstein, MD, PhD
 Associate Professor of Medicine, Harvard Medical School
 MD Degree: Harvard Medical School
 Leukemia, Lymphoma

Stefanie Sarantopoulos, MD, PhD
 Instructor in Medicine, Harvard Medical School
 MD Degree: Boston University School of Medicine
 Lymphoma, Leukemia, Myelodysplasia, Multiple Myeloma

Robert Schlossman, MD
 Instructor in Medicine, Harvard Medical School
 MD Degree: Harvard Medical School
 Multiple Myeloma

Margaret Shipp, MD
 Professor of Medicine, Harvard Medical School
 MD Degree: Washington University School of Medicine
 Lymphoma, Hodgkin's Disease

Catherine Wu, MD
 Assistant Professor of Medicine, Harvard Medical School
 MD Degree: Stanford University
 Allogeneic Stem Cell Transplantation, Leukemia, Lymphoma
 hemoglobinopathies
