

6th Annual Interdisciplinary Ethics Resource Program

**Friday, February 27, 2009
7:30 am - 4:30 pm**

This day-long program is designed to teach nurses and other healthcare providers how to identify, better understand and begin to resolve ethical problems that arise in the course of patient care.

Participants will learn from ethics leaders through large group presentations and case-based breakout groups.

Topics will include the identification of key ethical principles, strategies for resolving ethical dilemmas and a review of institutional ethics resources.

Clinicians of all disciplines are welcome and encouraged to attend.

This program is free and open only to clinicians from MGH, DFCI, BWH, & Boston College.

Lunch will be provided.
