Upcoming Events

[Getting Your Basic Research Funded](#) - 3/24

This workshop, presented by Jordan Kreidberg, MD, PhD, Associate Professor of Pediatrics, is designed to present strategies, tips, and practical guidance for fellows and junior faculty to obtain funding for basic research. 12 - 1 PM, Enders Auditorium, CHB. Co-sponsored by the CHB's Office's of Fellowship Training and Faculty Development. Registration required: fellows.office@childrens.harvard.edu

[RC LIVE Lunch - Partners Innovation Fund presents Tips for Starting a Business](#) - 4/20

RC LIVE Lunches are open to all researchers at BWH and are connected to the RC email series. Each month, come by and listen to the latest news from BWH research community leaders, ask your questions and stay for a free lunch. [Please register.](#)

[Advanced Biostatistics: Problem-Based Biostatistics Seminar for Medical Researchers](#) - Tuesdays, April 28 & May 5, 12 from noon – 2:00p.m. May 19 from 10:00a.m. – noon, One Brigham Circle, Room 4-002B. The Center for Clinical Investigation is sponsoring a four-session Advanced Biostatistics Seminar for Medical Researchers. The seminar will be run by John Orav, Ph.D., Associate Professor of Medicine (Biostatistics), Harvard Medical School. Each of the four sessions will focus on a different theme and an actual research project and database will be used to provide concrete and realistic examples. The goal of the seminar is to demonstrate alternative statistical approaches to questions explored by medical researchers. [Registration](#) is required. Contact [Lisa Horton](#).

Announcements

[American Recovery and Reinvestment Act of 2009](#)

The BRI has compiled a list of resources relating to the American Recovery and Reinvestment Act of 2009. Resources include relevant links, documents, and slides from the Town Hall Meeting on 3/6, as well as a LIST-SERV e-mail discussion list that will allow participants to pose questions, share resources, and discuss the latest news surrounding the ARRA. [Future announcements about informational meetings will also be posted here.](#)

[Harvard Red Book Spring Session now open!](#) - 4/15

Did You Know?

[The English League's Online Language Lab](#) - free 30-day trial

The Lab is an easily affordable web-based program that offers listening, pronunciation, and writing exercises for language practice. You can also submit spoken tests and even PowerPoint presentations for personalized audio feedback from an actual English League teacher. Use the Practice Pages to improve listening and pronunciation skills: listen to real speech, then record and play back your pronunciation for comparison and practice as many times as you like. Improve your pronunciation with personalized feedback from teachers: submit pronunciation tests and a teacher will provide audio feedback to your specific tests. Become a better speaker: create and submit presentations for teacher feedback. Upload a PowerPoint presentation, record your speech for each slide, and a teacher will provide audio and written feedback exclusive to your presentation. Prices start at just \$19/month. [Take a FREE 30-day trial.](#)
