Upcoming Events

Designing Reliable On-Screen Presentations - 10/2

Beth Beighlie, Desktop Computing & Research Imaging Support, HMS, demonstrates how to design a presentation that will reliably display all its chosen images, fonts and templates. Children's Hospital's Office for Fellowship Training kindly opens this event to BWV Postdocs as space allows. [Registration required.](#)

Communicating Science and Technology to Non-Experts - 10/15

Being able to convey complex technical information to non-experts and colleagues is one of the most important keys to success in the business world. Explore best practices and get practical tips for communicating scientific and technical information to: funders, investors, supervisors, co-workers, management, the media, and the general public. Sponsored by [WEST](#). [Details and Registration information.](#)

Upcoming Events from BWV Center for Faculty Development and Diversity -

October Flyer

Post a copy in your lab!

Announcements

HMS Foundations Funds - application deadline 10/6

Don't Forget! The deadline for the Fall cycle of awards is fast approaching.

LabSCENE - Lab Safety, Compliance, and Environmental Health News and Education

LabSCENE serves to engage active researchers in safety and compliance issues to promote proactive response to common areas of noncompliance. LabSCENE will be offered quarterly and alternate between a newsletter and "live" meeting format.

Show Me the Science! Reverse Science Fair - Seeking Volunteers

Science Club for Girls needs you for a one time volunteer event on October 24th, where YOU get to present to eager kids who want to learn all there is about science, math, engineering and technology. [See details and volunteer application.](#) Contact [Sonal Dhingra](#)
