Upcoming Events

[Translational Research Symposium](#) - 12/10

BRI Neurosciences Comprehensive Research Center hosts 'Translational Research Symposium' with Drs. Jolesz, Lansbury, Mukundan and Selkoe along with Dr. Ananth Annapragada from the University of Texas at Houston will discuss events both inside and outside academia and how a research idea travels from bench to bedside. 2:30-5:30pm, Bornstein Amphitheater.

[Conflict Management - Dealing Across Differences](#)- 12/12

Explore the changing demographics and its impact on the design and delivery of health care services in academic medical centers; formulate the clinical, business, and research case for managing diversity and conflict; discuss a strategic model of managing diversity in health care organizations; identify the nature of collaboration and steps to create and sustain a collaborative work climate with diverse stakeholders; and highlight the essential methods of preventing and managing conflict as a tool to foster collaboration and focus on organizational excellence and quality.

[Basic Biostatistics for Clinical Investigators](#) - four Thursdays beginning January 8th.

The Clinical Research Program, in collaboration with MGH Biostatistics Department are offering Basic Biostatistics for Clinical Investigators on four consecutive Thursdays beginning Jan. 8, from 2 to 3:30 p.m. Register [online](#). Contact: [Lauren Michaels](#) or 617-726-5010.

[RPDR Update: Utilizing the Clinical Data Registry](#) - 1/8

A brief overview of the [Research Patient Data Registry \(RPDR\)](#), a Partners information resource that allows human studies investigators to access vast amounts of aggregate patient clinical data. The RPDR brings clinical information to researchers in two ways: 1) as aggregate data, such as total patients with user-defined diagnoses, and 2) with proper IRB approval, detailed patient level medical record data. This lecture will be presented by Dr. Shawn N Murphy, Director, RPDR. [Registration](#) is required. Contact: [Lisa Horton](#) .

Announcements

[Winter is here - time to remember the OPRC Postdoc Summer BBQ!](#)

As the temperature drops below freezing, the [photo album](#) from the summer BBQ will warm you up! Lots of great pictures of current - and maybe future - BWH postdocs!

Did You Know?

[New OPRC Events, Training and Career Development webpages](#)

If you haven't checked for a while, the OPRC website has been updated. In particular, OPRC's major programs are now organized by category, some future programs are listed, and slides from programs you may have missed are also being posted. As always, it is a work in progress, but check it out and tell your fellow postdocs about it, too!

If You Missed It...

[Incidental Findings in Clinical Research: Ethical & Regulatory Considerations](#) - 12/10

[Research Ventures and Licensing](#) - 12/15

[ESL Call for Applications](#) - deadline 12/18

[Moving to the Top: Establishing Your Research Program at BWH - a six-session discussion group for early career faculty](#) – application deadline 12/22

[Research Case Studies Series: Research Ethics](#) - 1/12
