[2009 Partners Program in the Responsible Conduct of Research](#) - 10/22

5pm – 9pm, Bornstein Amphitheater, BWH. This program is designed to fulfill the NIH ethics-training requirement for all pre-doctoral and post doctoral National Research Service Award trainees receiving support from an individual or institutional grant, Fellowship, or Mentored Clinical Scientist Development Award. To register, contact Jennifer Ballard, Partners Research Management, at jpballard@partners.org or (617) 724-5536.

[Educating the Next Generation of Clinical Investigators: What Can Harvard Catalyst Offer?](#) - 12/1

HMS Dean Jeffrey Flier and the Harvard Catalyst Education Program leadership invite you to explore the Harvard Catalyst education programs. The evening will begin with an overview of Harvard Catalyst's clinical and translational education programs and continue with your participation in one of four interactive breakout sessions; Intro to Clinical Investigation Course; Advanced Curriculum & Cross-Institution Course Sharing; Master's Degree Programs & the KL2 Awards; and Leder Human Biology Program. RSVP by November 20th.

Announcements

[All Laptops Must Be Encrypted by December 31st](#)

All laptop computers that connect to the Partners network must be encrypted by Dec. 31. These security enhancements, which are federally mandated, protect both patients

and employees. [Details and resources to do this are available online](#). If you have any questions or need more information, contact the [Help Desk](#) web page or the BWH IS Security Officer, [Catherine McGoldrick](#).
