Upcoming Events

[ARRA Awards Celebration](#) - 10/30

The Biomedical Research Institute, welcomes you to join your colleagues for an informal celebration of ARRA Funding. Refreshments will be served. Please register: bwhbri@partners.org.

[Making Connections - An Evening of Science, Technology, and Business Networking](#) - 11/3

The HMS Postdoc Association sponsors a postdoc networking event. Keynote speaker: Lauren Celano of Propel Careers. [Please register](#). Contact: PDA@hms.harvard.edu

[Imaging Essentials](#) - 11/5

Understand the definitions of raster, bitmap, pixel-based photos and vector objects. Learn the basics of image preparation. Learn to avoid cross platform and operating system problems. Understand how to prep images in one application for use in other applications. Become skilled at determining the right resolution and file format. This seminar will be taught by Beth Beighlie, Digital Imaging Coordinator, Research Imaging Solutions at Harvard Medical School. [Please register](#). Contact: BWHCFDD@partners.org

[Effective Negotiations](#) - 11/12

To be effective in your career requires learning how to negotiate with senior managers, subordinates and peers. This seminar will help you explore approaches to potentially controversial conversations and your own style of negotiation. The program will be highly interactive and include case exercises to help participants evaluate the risks and benefits as they explore the various approaches presented. Linda Wilcox, Ombudsperson at Harvard Medical School, will lead the seminar. In her role as Ombudsperson Ms. Wilcox assists Harvard faculty, staff and students who are experiencing conflict to organize their ideas, acquire relevant information, and create options for resolution. [Please register](#). Contact: BWHCFDD@partners.org

Announcements

[Clarification For the Research Community Regarding the FY10 Wage and Salary Program](#)

As per Dr. Gottlieb's message to the BWH Community on September 9th regarding the hospital-wide salary freeze, this update is intended to provide clarity on how this salary freeze impacts researchers and all those who are paid from sources other than hospital operating funds.
