

Directions to OSSVS Volunteer Services (new location):

We are located on the 4th floor of One Brigham Circle (1620 Tremont Street), which is the building across the Brigham Circle intersection from the 15 Francis St entrance with Stop & Shop and JP Licks.

- Enter building from ground level, and walk straight ahead through the door labeled Brigham and Women's Hospital to the Security guard.
- Let Security know you are here for Office for Sponsored Staff or Volunteer Services.
- Take elevator to the 4th floor
- Take a right out of the elevator, and two rights down the hallway. Turn left after the Women's Restroom, and walk straight down the hallway towards the windows. You will see the OSSVS staff straight ahead! (Ask someone along the way if you need assistance)
