      ___ Return Demonstration (Attach a copy of the tool if applicable)
      ___ Other: Describe: ____ (Attach copy if applicable)

   B. Note: A copy of the summative evaluation must be kept in the activity file for six years. (A summative evaluation is the compilation of the results of the learners’ comments in a statistical format and a listing of all comments made by the learners. For example, if 10 participants stated they met objective 1, then you would insert the number 10 into that portion of the blank evaluation form.)

   C. Quality Improvement Process: It is also an expectation that the nurse planner and planning committee will evaluate the activity after it is presented. In order to document this evaluation, a tool has been added to the end of this documentation form. Topics include whether the objectives were met; effectiveness of the speaker/faculty (if live presentation); presence or absence of any bias; and any changes that need to be made in the future. Please complete it and keep it in the file for six years. This is in addition to creating the summative evaluation. You may choose to add questions to the tool for your specific needs.
