Cardiovascular Research Postdoctoral Fellowship**

APPLICATION

Applicant

Last Name	First Name	Middle Name	Degree(s)

Contact Information

Mailing Address	e-mail address
Telephone	

Applicant should provide the following materials, as PDF documents:

- 1) Curriculum vitae of the candidate.
- 2) Letter from a Brazilian institution with a research infrastructure indicating commitment to the candidate's career, including steps that will be taken to support their research, such as providing financial resources and facilities for research, and protecting time for the candidate to perform research upon return to Brazil.
- 3) A personal statement by the candidate describing their interest in and any experience with cardiovascular research and how the Lemann Fellowship would help in his or her career.
- 4) Three letters of reference.

All materials should be submitted in English

Send all materials in electronic form only to:

Peter Libby, MD

c/o Mr. David Lynn
