Topic:

NEJM Case Records of the MGH - A 64-year-old woman with recurrent ascites and progressive peripheral neuropathy

Presenter:

Meridale V. Baggett, MD

Associate Editor, New England Journal of Medicine Case Records of the Massachusetts General Hospital

Vijay Ganish, MD

Associate Neurologist, Brigham & Women's Hospital
Instructor, Harvard Medical School

Dr. Vijay Ganesh is a physician-scientist in the neuromuscular division at the Brigham and Women's Hospital. His clinic focuses on patients with genetic neuromuscular disorders. His research in the O'Donnell-Luria Lab at Boston Children's Hospital and the Broad Institute focuses on developing methods to define the genetic basis of rare syndromes and improve the diagnostic yield in patients with undiagnosed neurogenetic disorders. His research is funded by the NIH's National Institute of Arthritis and Musculoskeletal and Skin Diseases, and the BroadIgnite Award.

Reda Haatem, MD

Assistant Professor of Neurology, Harvard Medical School
Site Director, MGH Neurology Clerkship
Director, MGH Advanced General and Autoimmune Neurology Fellowship

Cynthia Czawlytko, MD

Diagnostic Radiologist,

Thoracic and Abdominal Radiology,
Massachusetts General Hospital

Dr. Cynthia Czawlytko is a board-certified diagnostic radiologist with fellowship training in abdominal imaging at Massachusetts General Hospital and additional expertise in thoracic imaging. She completed her residency at the University of Maryland Medical Center. Special interests include cancer and gynecologic imaging, medical education, and mentoring. Dr. Czawlytko is also deeply committed to advancing health equity through community outreach and humanitarian efforts.

Emily Hartsough, MD

MGB Dermatopathology Fellow, 2025-2026

Dr. Emily Hartsough completed her pathology training at Massachusetts General Hospital and is currently in her Dermatopathology fellowship at Massachusetts General Brigham. Her current research interest includes investigating cutaneous hematolymphoid neoplasms.

Daniel Chait, MD, MEd

Psychiatry Residency, PGY-4

Massachusetts General Hospital/McLean Hospital/Harvard Medical School

Dan Chait is a PGY4 psychiatry at MGH/McLean, where he serves as chief resident of the schizophrenia and bipolar disorder program at McLean Hospital. Dan went to medical school at the University of Pennsylvania and previously worked as a public school teacher in New York City. He is interested in psychosis, young adult mental health, and emergency psychiatry and plans to remain at Mass General Brigham next year following residency graduation.

Additional management discussant to be revealed at the conference
