47	Food Service – BWH (Graduation is last Thursday in June)

- Mondays are “class days” and generally scheduled mid-October (after October group starts) through early June (before the August group graduates). Rotations will be Tuesday-Friday when class days are scheduled.
- The special week can be arranged where the intern chooses with the Director/Associate Director's guidance and approval.
- Staff relief is completed in the inpatient setting and will be determined based upon needs of the department.
- Changes may be made to the master schedule due to unforeseen circumstances.
