Congratulations on the birth of your baby
From the Massachusetts Down Syndrome Congress (MDSC)

MDSC is a not-for-profit organization made up of parents, professionals and anyone interested in gaining a better understanding of Down syndrome. With more than 1,800 members, the MDSC services parents, educators, healthcare professionals, people with Down syndrome and the community at large. We offer a statewide conference for parents and educators, an Educator's Forum, a Buddy Walk, and many other programs and opportunities for parents and others as well. We have over twenty support groups across the state to link with other families.

MDSC Parents' First Call program offers a connection to another parent. Our First Call parents are an invaluable source of information and support. MDSC offers each new family two complimentary books and a new parent packet as well.

Due to privacy concerns, the hospital cannot share your information with MDSC without your permission. If you would like to connect with us, please complete the following information:
