

You are not alone in your heartache and grief when your baby dies. Although we are unable to physically gather together at this time, each family remains in the minds and hearts of all of us here at Brigham and Women's Hospital Departments of Obstetrics & Newborn Medicine.

We invite you to Save the Date for a Virtual Service of Remembrance in order to share a safe space to pause, reflect and remember.

Virtual Service of Remembrance

dedicated to the memory of your babies

Sunday, April 25, 2021

2:00-4:00 pm

Please pre-register at:

www.brighamandwomens.org/ServiceofRemembrance

In the meantime, Brigham and Women's Bereavement support information can be found at:
