Subject: FY16 Rates on DSM NSS Templates

Good afternoon,

We would like to remind you that the FY16 CCI CROSS Core rates took effect on October 1<sup>st</sup> therefore your NSS templates will need to be updated to reflect the new rates. You'll find attached a copy of our new rates, please apply them to the NSS templates of all subjects seen on or after 10/01/15.

Please note that our new rates include an "EEG/Vitaport Bundle" and a separate "Vitaport service".

- The EEG Bundle encompasses both Vitaport Start and Stop as well as EEG Placement/calibration. This is an hourly charge that will be calculated by adding up the time for each of these events in the templates
- The Vitaport service rate is exclusively for Vitaport Monitoring and is calculated per 8h shift.

Enclosed, is also a draft of a basic NSS template. Please feel free to reach out to us should you have any questions.

Thank you  
CCI Staff
