Subject: NCT# for Visits Using HCCRC Resources

Hello CCI Research Investigators and Teams,

During the period of March 1, 2015 – February 28, 2016, did you have study visits using HCCRC resources (HCCRC resources include the ACC, Tower 9, and any of the CCI staff) that were part of an interventional study (with one or more arms) of FDA-regulated drugs, biological products, or devices that met one of the following conditions?

- a. The trial was one or more sites in the United States
- b. The trial is conducted under an FDA investigational new drug application or investigational device exemption
- c. The trial involved a drug, biologic, or device that is manufactured in the United States or its territories and is exported for research

*\*\*EXCLUDING Phase 1 Clinical Investigations and Small Feasibility Studies*

**If so, please provide us with your NCT# and its associated Partners IRB number. (You can locate your number at [clinicaltrials.gov](http://clinicaltrials.gov) )**

If possible, please respond by Monday, January 25<sup>th</sup>.

Thank you,  
Bridget
