Log into Labcorp Link as normal

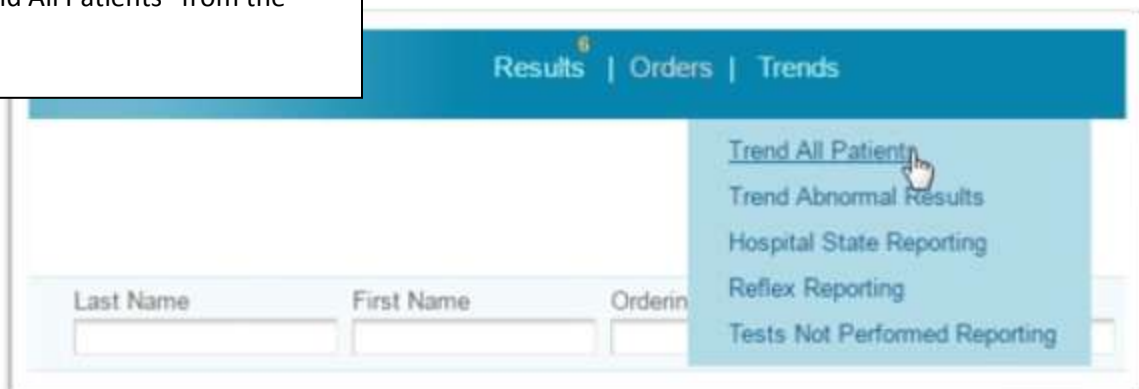

The image shows the LabCorp Link login page. At the top, the LabCorp logo is followed by "Link™". Below this are two input fields: "Login ID:" and "Password:". A red "X" icon with the text "This is a required field" is positioned between the two fields. Below the password field is a blue "Login" button and a link for "Forgot Password?". At the bottom of the page, there is a footer with the LabCorp logo, the text "©2017 Laboratory Corporation of America Holdings. All Rights Reserved. Privacy Statement", and a support line: "Call LabCorp Support 24 hours a day (877)442-3225".

The image shows the LabCorp Link results screen. The top navigation bar is blue and contains the LabCorp logo, "Link™", and links for "Results", "Orders", and "Trends". On the right side of the navigation bar, there are links for "TESTING TEST", "Settings", and "Test Me". Below the navigation bar, there is a search area with fields for "Last Name", "First Name", "Ordering Physician", "Accession #", and "Report Signed Date Range" (with a date range selector). Below the search area, there are two tabs: "Last 96 Hours" and "Pending". Below the tabs, there are four buttons: "All", "Unread", "Abnormal", and "STAT". To the right of these buttons is a dropdown menu for "Ordering Provider" with a "Select All" option. On the far right, there are sections for "Your Messages" (with "Automated Print" visible) and "Your News" (with "Wed Feb 17 10:12:20" and "Enhanced Patient" visible).

From the results screen, go to the top, and click on the "Trends" link, and select "Trend All Patients" from the flyout.

The image shows the LabCorp Link Trends flyout menu. The top navigation bar is blue and contains the LabCorp logo, "Link™", and links for "Results", "Orders", and "Trends". Below the navigation bar, there is a search area with fields for "Last Name", "First Name", and "Orderin". A flyout menu is open over the "Trends" link, showing a list of options: "Trend All Patients", "Trend Abnormal Results", "Hospital State Reporting", "Reflex Reporting", and "Tests Not Performed Reporting". A mouse cursor is pointing at the "Trend All Patients" option.
