Please call Sarah Harre, LCSW (617-525-8142) or Samantha Pearlstein, LCSW at (857-307-2840) for more information.

**Cystic Fibrosis Patients:** Please contact Samantha Pearlstein, LCSW or Sarah Harre, LCSW if you are interested in attending group. Only one CF patient can attend each session due to risk of infections.

**Directions to Duncan Reid:** Enter through the hospital's 75 Francis Street entrance. Take the main stair case located at the back right of the lobby, just past the gift shop, one flight to the second floor. Turn left, at the top of the stair case, onto the second floor hallway, the Pike. Take your first right (exit 3) off the pike, proceed pass the elevators. Take your first right, the Duncan Reid conference room will be at the end of this hallway, directly in front of you.
